

Fisherman's Blues
The Waterboys

INTRO:

A, G, Bm, D

A

I wish I was a fisherman

G

tumblin on the seas

Bm

far away from dry land

D

and it s bitter memories

A

castin out my sweet line

G

with abandonment and love

Bm

no ceiling bearin down on me

D

save the starry sky above

A

with light in my head

G

Bm

D

with you in my arms

C#

i wish i was the brakeman

G

on a hurtlin fevered train

Bm

crashin head long into the heartland

D

like a cannon in the rain

A

with the feelin of the sleepers

G

and the burnin of the coal

Bm

countin the towns flashin by

D

and a night that s full of soul

A

with light in my head

G

Bm

D

with you in my arms

A

And I know I will be loosened

G

from the bonds that hold me fast

Bm

and the chains all around me

D

will fall away at last

A

and on that grand and fateful day

G

I will take thee in my hand

Bm

I will ride on a train

D

I will be the fisherman

A

with light in my head

G

Bm

D

with you in my arms

A

with light in my head

G

Bm

D

with you in my arms

A

G

Bm

D

Light in my head

A

with light in my head

G

Bm

D

with you in my arms
