.
She is so beautiful
I ve got no words to describe
The way she makes me feel inside
I m flying solo
As free *and as light as a bird
yet I could lay my wings down in a moment
To guard and comfort her

She is so beautiful
light-filled, loving and wise
Laughter dancing in her eyes
all my road is before me
And I never did plan on a wife
yet she s the most beautiful soul
I ever have met in this life

For she is like a song
she is like a ray of light
She is like children praying
like harps and bells and cymbals playing
And she is like a wind
moving, soothing, bringing joy
And here am I, destroyed
she is so beautiful
I don t know what I m gonna do when I leave
except grieve.

this is my first tab enjoy everyone!
