*verse 1*

**C**  
All your trouble  
**G Am**  
Will be over  
**F C**  
So will your pain  
**G Am**  
You are gonna see those blue skies  
**F C**  
Bursting right through the rain  
**G Am**  
The higher you climb  
**F**  
The lower you fall  
**C G**  
You got  
**Am**  
Too close to heaven  
**F C**  
That s all

*verse 2*

**G**  
Now in the morning  
**Am**  
You can cry all you want to  
**F C**  
We ll spend the whole day weeping  
**G Am**  
Right now I want you to lay down your weary head  
**F C**  
And let me see you sleeping  
**G Am**  
You ve been walking around baby, inflamed and ashamed  
**F**  
Feeling like you re one inch tall  
**C G**  
You got  
**Am**  
Too close to heaven

**F**

That s all

Why is it I see nothing but emptiness in your cold beaten eyes

**F C**

That once were bright

**G Am**

I know you just can't help but run

**F**

When you hear that sweet voice call

**C G**

You got

**Am**

Too close to heaven

**F**

That's all
