*verse 1*

**C#**  
All your trouble  
**G# Bbm**  
Will be over  
**F# C#**  
So will your pain  
**G# Bbm**  
You are gonna see those blue skies  
**F# C#**  
Bursting right through the rain  
**G# Bbm**  
The higher you climb  
**F#**  
The lower you fall  
**C# G#**  
You got  
**Bbm**  
Too close to heaven  
**F# C#**  
That s all

*verse 2*

**G#**  
Now in the morning  
**Bbm**  
You can cry all you want to  
**F# C#**  
We ll spend the whole day weeping  
**G# Bbm**  
Right now I want you to lay down your weary head  
**F# C#**  
And let me see you sleeping  
**G# Bbm**  
You ve been walking around baby, inflamed and ashamed  
**F#**  
Feeling like you re one inch tall  
**C# G#**  
You got  
**Bbm**  
Too close to heaven

**F#**

That s all

**G# Bbm**

Now are you blinded by the brilliance?

**F# C#**

Are you dazzled by the light?

**G# Bbm**

Why is it I see nothing but emptiness in your cold beaten eyes

**F# C#**

That once were bright

**G# Bbm**

I know you just can't help but run

**F#**

When you hear that sweet voice call

**C# G#**

You got

**Bbm**

Too close to heaven

**F#**

That's all
