**F# G#m**

Now are you blinded by the brilliance?

**E B**

Are you dazzled by the light?

**F# G#m**

Why is it I see nothing but emptiness in your cold beaten eyes

**E B**

That once were bright

**F# G#m**

I know you just can't help but run

**E**

When you hear that sweet voice call

**B F#**

You got

**G#m**

Too close to heaven

**E**

That's all
