

**Come On Daniel**  
**The Wave Pictures**

**F** **C** **G**  
There s a spider on the sheets outside  
**F** **C** **G**  
March cloud covering your eyes  
**F** **C** **G**  
& there s lager - flat lager -  
**F** **C** **G**  
In the mugs & in the cups around the sink

[CHORUS]

**C**  
Come on Daniel (Come on Daniel)  
**E7**  
Come on Daniel ( Come on DAniel)  
**F** **C** **G**  
There s no need to apologize

**C**  
Come on Daniel (Come on Daniel)  
**E7**  
Come on Daniel ( Come on DAniel)  
**F** **C** **G**  
My stomach cannot stomach any lies

**F** **C** **G**  
Sand between my toes & around my belly button  
**F** **C** **G**  
But my sea salt kiss is still a big fat nothing  
**F** **C** **G**  
& Catherine Riddler told me to tell you  
**F** **C** **G**  
I wouldn t give up anything if I was you

[CHORUS]

**C**  
Come on Daniel (Come on Daniel)  
**E7**  
Come on Daniel ( Come on DAniel)  
**F** **C** **G**  
There s no need to apologize

**C**  
Come on Daniel (Come on Daniel)  
**E7**

Come on Daniel ( Come on DAniel)

**F**                      **C**                      **G**  
My stomach cannot stomach any lies

**F**                      **C**                      **G**  
Let this song roll back your eyes
