Standard tuning

C
Well the words that we spoke in the bar, in the car
F
And at Goose Fair on the waltzers
G **F**
And the big wheel in her kitchen in the greenhouse in my garden
Em **Dm**
Dozing in the giant pillow of a bouncy castle
C **F**
With Paul Simon and Art Garfunkel

Halfway down to Blackpool Tower
G **F**
These words have filled my finest hours
Em **Dm**
Like a bottle of milk they soured

C
And I m wondering tonight
(wondering tonight)
F
Wondering tonight
(wondering tonight)
G **F**
If your skin is still as thin
Em **Dm**
As it was those mornings

C
We were sieved together and fried in pans
F **G**
And on your make-up stand it said my number in red
F
But you had filled your net
Em **Dm**

Sending off your kids like crows

C

Still, in Wymeswold at the end of the summer

F

I could smoke one off the end of another

G
