The Wave Pictures - Long black cars

Verse/Chorus

B Em C G

Pre Chorus

C D G B

Verse

a pirate on a pirate ship throws confetti to the wind
wasps fly drunkenly into the overflowing binse
a six foot yellow bear and a hot air ballon
the whole town been down to see it all this afternoon

Pe Chorus

sunlight bounces of the window, blinks into my eye
you promised me you re giving me the old college try

Chorus

and the long black cars roll by
the long black cars roll by
and the long black cars roll by
me again

they say David your brother s coming home
like you always hoped he would
hes been to long down in the mouth too long up to no good
but i know why you didn t call yor so long
and i know why you finally called when did

sunlight bounces of the window, blinks into my eye
you promised me you re giving me the old college try
when you did

and the long black cars roll by
the long black cars roll by
and the long black cars roll by
me again

You said I heard the devil is in the detail and I heard that God was in there too
and I even heard that the two of them in there
making up a way to ... about you

I havent forgiven anything, I haven t forgotten anything
and I hope that you of all peolpe would know that by now
