

Now You Are Pregnant
The Wave Pictures

This is a slightly simplified version, on the record there is a fast C#m and Bm between the D and A but this way is a bit easier to play and sing at the same time.

A **Bm** **C#m** **Bm**
When you were satisfying your thirst for success
D
And you looked older than I did
A **Bm** **C#m** **Bm**
I didn't think that that was you at your best
D **A**
We were only lonely little kids
Bm **C#m** **Bm**
Amidst stacks and stacks of slacks and black platform shoes
D
We were little kids
A **Bm** **C#m** **Bm**
And you could say sorry ten billion times
D **A**
But sorry didn't do what you did
Bm **C#m** **Bm**
I threw myself at you and I threw myself away
D **A**
Amidst stacks and stacks of slacks and black platform shoes

Bm **C#m** **Bm** **D** **A**
Johnny Cash died today and you say, you say things
Bm **C#m** **Bm**
Lovely things, to lovely other people
D
And I'm not invited.

E **A** **D**
But I love the back garden at my parents' place
E **A** **D**
And I love the view out of my Glasgow window
E **A** **D**
And I love waking up on the floor of a flat in New York,

C#m **Bm** **D**

 And I don t have any bad memories only bitter regrets
C#m **Bm** **D**
 Johnny Cash died today and I could take a train
A **Bm** **C#m** **Bm**
 And take an hour to think on the way of what I would say when I saw you
D **A**
 And I could walk into the shop and buy myself some black platform shoes
Bm **C#m** **Bm**
 Talk to all the other girls and just ignore you

 Or I could rush into the shop and tell you that I adore you
Bm **C#m**
 cause I adore you
Bm **D** **A**
 I could rush into the shop and tell you that I adore you
Bm **C#m** **Bm** **D**
