E **A** **B** **A** **G#m** **F#m** **E**
Furnish me with childish glee, walk me hold me take me to the
A **B** **A** **G#m** **F#m** **E**
American embassy and get me, signed up and delivered where you ll have
A **B** **A** **G#m**
a brand new passport photo, from a brand new passport picture booth
F#m **E**
the film with teeth and hair and eyes,
A **B** **A** **G#m** **F#m**
and I smile in the flash bulb, in the flash bulb, in the flash bulb of fallen
love
E **A** **B** **A** **G#m** **F#m** **E** **A**
Hope, hope is the thing with feathers, butterflies flutter by my window side
B **A** **G#m** **F#m**
it s over, it s over forever, or at least until the morning
E **A** **B** **A**
and I shot you, I shot straight at your heart,
G#m **F#m** **E** **A**
but the gun was that type with the little flag, that pops out
B **A** **G#m** **F#m**
that pops out, that pops out with the word BANG written on it

[Chorus]

G#m **A**
I watched you from a distance, I built myself a day,
F#m **B** **A**
just for waiting, just to hear you say
E **A** **B** **A** **G#m** **F#m**
