## The Weakerthans

Song: Anchorless

Artist: The Weakerthans

D B A B

**D**                      **B**  
They called here to tell me

**D**                      **B**  
That you're finally dying

D	B	A	G
Thru a veil of childish cries			
Southern Manitoba			
Prairies pulling at the			
Pant-leg of your bad disguise			

**G**  
So why were you so

D A G  
Anchorless

D                    A                    G

A boat abandoned in some backyard  
Anchorless  
The small town that you lived and died in

D B A B

Shoebox full of photos  
Found a grainy mirror  
Sunken cheeks and slender hands  
Grocery lists and carbon  
Copied letters offer  
Silence for my small demands

Hey howâ€™d you get so

Anchorless  
A boat abandoned in some backyard  
Anchorless  
The small town that you lived and died in

D	A	G
Got an armchair from your family home		
Got your p.g. wodehouse novels and your telephone		
Got your plates and stainless steel		
Got that way of never saying what you really feel		

Anchorless

A boat abandoned in some backyard

Anchorless

The small town that you lived and died in

**D C# B A G**

Donâ€™t want to live and die here

Donâ€™t want to live and die here were weâ€™re

Anchorless

Anchorless

Anchorless

The small towns that we live and die in

**D B A G** (until fade out)
