

Anchorless
The Weakerthans

Song: Anchorless
Artist: The Weakerthans

D B A B

D **B**
They called here to tell me

D **B**
That youâ€™re finally dying

D **B** **A** **G**
Thru a veil of childish cries
Southern Manitoba
Prairies pulling at the
Pant-leg of your bad disguise

G
So why were you so

D **A** **G**
Anchorless

D **A** **G**
A boat abandoned in some backyard
Anchorless
The small town that you lived and died in

D B A B

Shoebox full of photos
Found a grainy mirror
Sunken cheeks and slender hands
Grocery lists and carbon
Copied letters offer
Silence for my small demands

Hey howâ€™d you get so

Anchorless
A boat abandoned in some backyard
Anchorless
The small town that you lived and died in

D **A** **G**
Got an armchair from your family home
Got your p.g. wodehouse novels and your telephone
Got your plates and stainless steel
Got that way of never saying what you really feel

Anchorless

A boat abandoned in some backyard

Anchorless

The small town that you lived and died in

D C# B A G

Donâ€™t want to live and die here

Donâ€™t want to live and die here were weâ€™re

Anchorless

Anchorless

Anchorless

The small towns that we live and die in

D B A G (until fade out)
