Plea From A Cat Named Virtue
The Weakerthans
Artist: The Weakerthans
Song: Plea from a cat named virtue
Capo 4
[Intro]
EADAE
[Verse 1]
Е
Why don t you ever wanna play?
Α
I m tired of this piece of string
в
You sleep as much as I do now,
         Α
                            Е
and you don t eat much of anything
Е
I don t know who you re talking to
Α
I made a search through every room
в
but all I found was dust that moved
   Α
                  Е
with shadows of the afternoon
[Chorus 1]
\mathbf{E}
                         Α
And listen, about those bitter songs you sing
            F#m
they re not helping anything
           Α
                    Е
they won t make you strong
[Verse 2]
E
So we should open up the house
Α
invite the tabby two doors down
в
You could ask your sister if
Α
                       Е
she doesn t bring her basset hound
\mathbf{E}
Ask the things you shouldn t miss
Α
tape hiss and the modern man
в
```

cold war and card catalogues Α Е to come join us if they can E For girly drinks and parlor games А we ll pass around the easy lie в of absolutely no regrets Α Е and later maybe you could try Е To let your losses dangle off Α the sharp edge of a century в We ll talk about the weather Α Е or how the weather use to be [Chorus 2] Е Α And I ll cater, with all the birds that I can kill F#m Α let their tiny feathers fill disappointment Е Α Lie down, and lick the sorrow from your skin F#m Α \mathbf{E} Scratch the terror and begin to believe you re strong [Outro] F#m G#m Е Α All you ever want to do is drink and watch TV C#m в Α frankly that thing doesn t really interest me G#m Е F#m Α I swear I m going to bite you hard and taste your tinny blood C#m в Α G#m if you don t stop the self-defeating lies you ve been repeating A (PAUSE) since the day you brought me home Е I know you re strong.
