

Reasons

The Weakerthans

[Verse 1]

G

How I don't know how to sing
I can barely play this thing

D

But you never seem to mind
And you tell me to fuck off

C

When I need somebody to
How you make me laugh so hard

G

How whole years refuse to stay
Where we told them to, bad dog

D

Locked up whining in a word
Or a misplaced souvenir

C

How the past chews on your shoes

G

And these memories lick my ear

[Chorus]

D

I know

Bm **C** **G**

You might roll your eyes at this

D

But I'm so

Bm **C**

Glad that you exist

[Verse 2]

G

How we waste our precious time
Marching in the picket line

D

That surround those striking hearts
And the time is never now

C

And we know who we should love

G

But we're never certain how

[Chorus]

D

I know

Bm **C** **G**

You might roll your eyes at this

D

But I m so

Bm **C**

Glad that you exist

[Bridge]

G

[Chorus] (x2)

D

I know

Bm **C** **G**

You might roll your eyes at this

D

But I m so

Bm **C**

Glad that you exist

[Ending]

G
