Marooned - The Webb Brothers

Chords by Matt Poole of England, England.  
Title song from the excellent long player.

**B      G**

Marooned again,

**B      G**

Marooned again,

**Abm      C#      C#m**

Marooned for days,

**B      Abm**

So you think you ve had enough,

**C#      F# B**

It s about that time,

**C#**

When you know what you re doing but it does no good,

**Abm      C#**

And it hasn t really hit you like you thought it would,

**Abm**

And you think you re going places,

**C#                      F#      F#7**

But it s only in your mind,

**B      G**

Marooned again,

**B      G**

Marooned again,

**Abm      C#      C#m**

Marooned again, again
