Fireworks - The Wedding

Tuning: Standard - EADGBE

This may not be the way The Wedding actually plays it, but these chords sound right to me. I believe this song is played clean on an electric guitar but it also sounds good on acoustic. If there are any errors feel free to comment or correct.

Thank you, enjoy and God bless!

G - 320033
C2 - x32033
Em7 - 022033
Gsus2 - 2x0033
D - xx0232

Intro: **G**, **C2**, **Em7**, **C2** x2

Verse:

G **Em7** **C2**
You put your stock in a girl you d swear was all your own
G **Em7** **C2**
But all the while you think you have something that you don t
 Em7 **C2** **G** **Gsus2**
And it took a while to walk away from that
 Em7 **C2** **D**
Yeah it took a while to walk away from that

Itâ€™s like I d always say

Chorus:

G **C2** **Em7**
Fireworks on the fourth of July making up the plans,
C2
Up the plans that you made
G **C2**
Nobody cares if there s no girl by your side.
 Em7 **C2**
They re staring at the painted sky

Verse:

G **Em7** **C2**

G **Em7** **C2**
While I try to put my finger on exactly what it was that made you leave
Em7 **C2** **G** **Gsus2**
Yeah it took some time to walk away from that
Em7 **C2** **D**
Yeah it took some time to walk away from that

(Chorus)

Em7 D
It goes like this and we never walk away,
C2 D
The past is the past but it s here to stay
Em7 D
It goes like this and we never walk away,
C2 D
The past is the past but it s here to stay
Em7 D
It goes like this and we never walk away,
C2
The past is the past but it s here to stay

(Chorus)

G **D** **Em7** **C2**
Pull it together boy you don t look so well and you got nothing but time to
kill

G **D** **Em7** **C2**
Pull it together boy you don t look so well and you got nothing but time

G
(Yea thatâ€™s what I like baby, whoa, sing that song pretty girl)
