

I close my eyes and pretend you're sitting here with me

G **Em7** **C2**
 While I try to put my finger on exactly what it was that made you leave
Em7 **C2** **G** **Gsus2**
 Yeah it took some time to walk away from that
Em7 **C2** **D**
 Yeah it took some time to walk away from that

And time is all that I have

(Chorus)

Bridge:

Em7 **D**
 It goes like this and we never walk away,
C2 **D**
 The past is the past but it s here to stay
Em7 **D**
 It goes like this and we never walk away,
C2 **D**
 The past is the past but it s here to stay
Em7 **D**
 It goes like this and we never walk away,
C2
 The past is the past but it s here to stay

(Chorus)

Outro: **G**, **D**, **Em7**, **C2** x2

G **D** **Em7** **C2**
 Pull it together boy you don t look so well and you got nothing but time to
 kill
G **D** **Em7** **C2**
 Pull it together boy you don t look so well and you got nothing but time
G
 (Yea that's what I like baby, whoa, sing that song pretty girl)

This is the riff played with another guitar during the intro and chorus:

```
