

I Feel It Coming (feat. Daft Punk)
The Weeknd

[Verso 1]

Tell me what you really like **Em**
Baby I can take my time **Am**
We don't ever have to fight **F**
Just take it step-by-step **C**
I can see it in your eyes **Em**
Cause they never tell me lies **Am**
I can feel that body shake **F**
And the heat between your legs **C**

[Pre-refrão]

You've been scared of love **Am**
And what it did to you **Em**
You don't have to run **F**
I know what you've been through **C**
Just a simple touch **Am**
And it can set you free **Em**
We don't have to rush **F**
When you're alone with me **C**

[Refrão]

I feel it coming **Em**
I feel it coming babe **Am**
I feel it coming **F**
