

In The Night
The Weeknd

Am

All alone she was living

G

In a world without an end or beginning

Em

Babygirl was living life for the feeling

F

But I don't mind, I don't mind

Am

And all the wrongs she committed

G

She was numb and she was so co-dependent

Em

She was young and all she had was the city

F

But I don't mind, I don't mind

Pre-Chorus:

Dm

Em

And I know that she's capable of anything, it's riveting

Dm

G

But when you wake up she's always gone, gone, gone

Hook:

Am

In the night she hears him calling

G

Em

In the night she's dancing to relieve the pain

F

She'll never walk away (I don't think you understand)

Am

In the night when she comes crawling

G

Em

Dollar bills and tears keep falling down her face

F

She'll never walk away (I don't think you understand)

Verse 2:

Am

He sang a song when he did it

G

He was cold and he was so unforgiving

Em

Now she dances to the song on the minute

F

Yeah, all the time, all the time

Am

It make her weak when she hear it

G

And it got her on her knees like religion

Em

She was young and she was forced to be a woman

F

Yeah, all the time, all the time

Pre-Chorus:

Dm

Em

And I know that she s capable of anything, it s riveting

Dm

G

But when you wake up she s always gone, gone, gone

Hook 2x:

G

Em

F

She ll never walk away (I don t think you understand)

Am

In the night when she comes crawling

G

Em

Dollar bills and tears keep falling down her face

F

She ll never walk away (I don t think you understand)

I don t think you understand...
