I got a confession to make
I don t rush a date
Commitment is an enemy to me
But ever since her lips touch my face
It s like a kiss was laced
I m fiend, I m fiend, I m fiend
I usually like to slow down the pace
Love to tease and play
But girl I need to be direct with you
Cause in my mind your voice just replays
Like a broken tape
What you do, what you do, what you do
[Hook]
                         Dm
