

Power Is Power (feat. SZA & Travis Scott)  
The Weeknd

**Em**

I was born of the ice and snow

**Am**

**C/G**

With the winter wolves, in the dark, alone

**Em**

The wildest night, I became the one

**Am**

**C/G**

And you'll know you're mine when the silence calls

**Em Bm Am**

Heavy is the crown

**C**

Only for the weak

**Em**

**Bm**

**Am**

The knife in my heart couldn't slow me down

**C**

**D**

Cause power is power, the fire never goes out

**Em**

**Bm**

**Am**

I rise from my scars, nothing hurts me now

**Em**

Cause power is power, now watch me burn it down

**Em**

I went down for the coldest one

**Am**

**C/G**

And I know I'll win cause I played before, yeah

**Em**

I don't know with whatever you say, I don't know if we need it your way

**Am**

**C/G**

You wouldn't take my place, put me away, I die lookin' up at your face

**Em**

**Bm**

**Am**

How do I ever know, who can I trust, feelings of emptiness

**C**

Only love could kill me, God bless
