

Just Blue
The Weepies

D **A** **G**
Red dirt fields in Tennessee

D **A** **G**
Red dirt mud, slow wet feet

D **A** **E**
Red dirt clay stuck in my heart

G
Clogging up the way

E
The tears come through

G **D** **A** **E** **G**
I m blue, just blue

D **A** **G**
Pale gray sky above my head

D **A** **G**
Dark gray road, my rolling bed

D **A** **E**
Close my eyes, see you instead

G **E**
Neon cafe sign across the street is glowing red

G **F#** **B** **A** **G**
But I m blue, I m blue and there s not a thing to do

E **G** **D** **A** **E** **G** **D** **A** **E** **G**
I m blue, just blue, just blue, just blue

G **D**
Look into the windows, see what s caught my eye

G **D**
Duck in to avoid the rain, a baby wants to cry

Bm **G** **D**
So do I, so do I

D **A** **G**
White and green, a few spring blooms

D **A** **G**
A reckless day in sparkle rooms

D **A** **E**
Paint my face and fingertips all rose and new

G
Still blue

F# **B** **A** **G**
I m missing you and there s not a thing to do

E **G** **D** **A** **E** **G** **D** **A** **E** **G**
I m blue, just blue, just blue....
