

**Living In Twilight**  
**The Weepies**

Capo 3rd Fret

Intro **C F C F C**

**C** **F** **C**  
You look darkly on the day  
**C** **F**  
With memories to light your way  
**F** **G**  
A little sad but it s all right  
**F** **G**  
We are always living in twilight

**C** **F** **C**  
No one knocks upon your door  
**C** **F**  
Until you don t care anymore  
**F** **G**  
A little alone but it s all right  
**F** **G**  
We are always living in twilight

**Am** **F** **C** **G**  
Living in a dream, walking in between the sunrise and sunset  
**Am** **F** **C** **G**  
Living in a dream, walking in between sunset and sunrise

**C** **F** **C**  
You get tied up in your day  
**C** **F**  
so I let go and walk away  
**F** **G**  
And now we re loose ends of the night  
**F** **G**  
We are always living in twilight

**F** **G** **C** **Am**  
So it goes, though no one knows you like they used to do  
**F** **G** **C** **Am**  
Have a drink the sky is sinking toward a deeper blue  
**F**  
And you re still all right  
**G**  
Step out into twilight

**C** **F** **C**  
So I stumble home at night  
**C** **F**

Like I ve stumbled through my life  
**F** **G**  
With ghosts and visions in my sight  
**F** **G**  
We are always living in twilight
