

Simple Life
The Weepies

Capo IV

INTRO: C Am7 F F G

VERSE 1:

C Am7
When I get up in the morning, put the kettle on
F G
Make us some coffee, say hey to the sun
C Am7
Is it enough to write a song, and sing it to the birds
F G
They'd hear just the tune, not understand my love for words

CHORUS:

F G
But you would hear me and know
F G
That I want to live this
F
I want to live
G C Am7 F F G
I want to live a simple life

VERSE 2:

C Am7
I dreamed you first, but not so real
F G
And every day since I found you, such moments we steal
C Am7
Like little fields, we rub our hands
F G
And hold our hearts between them

REPEAT CHORUS

BRIDGE:

F C Am7
Move on, move on, time is accelerating
F C Am7
Drive on, all night, traffic lights and one ways
F C Am7
Move on, move on parking violations waiting
F Am7 G
Turn off the car, breathe the air, let's stay here

BREAK: C Am7 F F G (x2)

VERSE 3:

C Am7
I ll kiss you awake, and we ll have time
F G C
To know our neighbors all by name, and every star at night
Am7 F G
We ll weave our days together like waves, and particles of light

F G
I want to live this
F
I want to live
G C
I want to live a simple life
F G
I want to live this
F
I want to live
G C Am7 F F G
I want to live a simple life
