[Intro]
G-F\#/D-Cadd9-D (x2)
[Verse 1]
                              D/F#
woke up and wished that i was dead
                     Cadd9
with an achin in my head
i lay motionless in bed
             Cadd9
i thought of you, and where you d gone
        Em7
                  D/F# G
let the world spin madly on
[Instrumental]
G-D/F#-Cadd9-D
[Verse 2]
and everything that i said i d do
like make the world brand new
and take the time for you
          Cadd9
                                           G D/F#
just got lost and slept right through the dawn
        Em7
                   D/F# G
and the world spins madly on
```

```
G-D/F#-Cadd9-D
[Bridge]
B Cadd9
i let the day go by
B Cadd9
               G
       always say goodbye
В
           Cadd9
                  Α
i watch the stars from my windowsill
                              D/F#
the whole world is moving, but i m standing still.
[Instrumental]
G-D/F\#-Em7-D (x2)
[Verse 3]
woke up and wished that i was dead
                    Em7
with an aching in my head
i lay motionless in bed
            Cadd9
                               G D/F#
the night is here and the day is gone
        Em7
                  D/F# G
and the world spins madly on
            Cadd9
                             G D/F#
i thought of you and where you d gone
[Outro]
                  D/F# G
       Em7
and the world spins madly on
       Em7
                  D/F# G
and the world spins madly on
                  D/F# G
       Em7
                              D/F#
                                      Cadd9 D...
and the world spins madly on and on and on...
```

[Instrumental]
