Another fairly easy one from The Whigs, yet the song is still rocking.
There are only four chords in the whole thing, but Parker manages
to switch between open chords and barre chords.

There is a chords version with lyrics at the bottom.

Tuning: EADGBe (Standard)

INTRO/VERSE (Repeat as necessary)

```
      A                       G         D

 A|-7-|-----------7--5-5-----5--7-7-----------------------------------|
 E|-5-|-----------5--3-3---------5-5-----------------------------------|
```
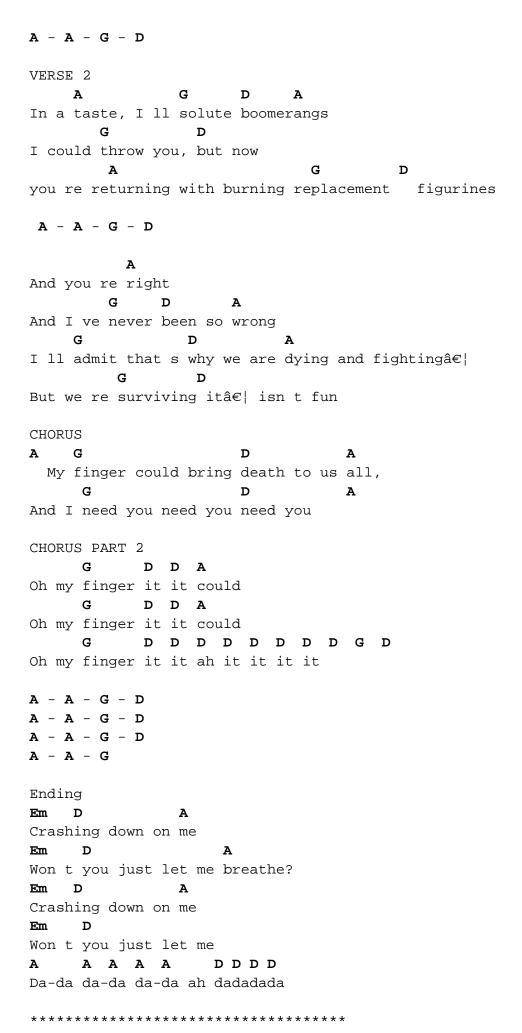

Back to intro/verse and chorus.

NOTE: The ending of the 2nd chorus is a little different, I ll try to
demonstrate that there.

It starts around 1:40...and it kind of speeds things up a little with
a slightly different strum pattern.

```
