

Right Hand On My Heart
The Whigs

G
All the fallen leaves will find their branches again
Raindrops from the heavens I ll eventually swim
A river, an ocean, a wave in my heart
We got your money now we ll make a new start

All the fallen leaves will find their branches again
Raindrops in the heavens I ll eventually swim
River, an ocean, a wave in my heart
We got your money now we ll make a new start

C
In another week, promise?
In another year, promise?

G F G F (x2 heart)

Put your right hand on my heart

All the fallen leaves will find their branches again

All the fallen leaves will find their branches again
Raindrops in the heavens I ll eventually swim
River, an ocean, a wave in my heart
We got your money now we ll make a new start
