

Through A Hole
The Whispertown 2000

Through A Hole

...from Livin In A Dream standard tuning

intro: C

C

Through a hole In the saddest soul

Am

Where nothing s better or worse

F

Down a tube Swallowed like food

G

You sat around Broke it down

C

Am

Laugh and scream You split a seam

F

G

Shot through like blood Into a dream

C

Am

You woke up No it s not true

F

G

C

You blink your eyes Go back inside

C

Up and down A retired Clown

Am

Got in his very small car And drove around

F

Down a chute You got the boot

G

And now you want The other one to

C

Am

Laugh and scream You split a seam

F

G

You mark your rut Sew it back up

C

Am

Close your eyes It s no surprise

F

G

C

Where you re goin Which way s the wind

F

G

C

Who s that knockin

F

G

C

Six in the mornin

F

G

C

Am

Time is like a train And our love is just the same

F

G

C

It s gonna go if we don t Keep on runnin

F

G

C

Yes it s gonna go if we don t Keep on runnin

F

G

C

Yes it s gonna go if we don t Keep on

C (same chord progression as the beginning and so on....)

Back and forth

The spoon and fork

Get up and go

He calls out your name

Take the crown

Spin around

Dry your eyes

And put it down

Laugh and scream

You split a seam

You leave it open

For everyone to see

Hello, hello I ve gotta go

If you need to know

Look out the window
