

**Carnage**  
**The White Buffalo**

**Bm**  
Well, The day that carnage came to town  
**A**  
We locked and bolted our doors down  
**F#**  
We laid silent on the ground  
**G**  
Hoping we would not be found  
**Bm**  
As children moan as the mother cries  
**A**  
I hide the fear from my eyes  
**F#**  
We creep down the cellar door  
**G**  
Underneath the rotting floor and i

**Bm**        **A**        **G**        **A**  
Ooooooooooooooh, I can t see the light  
**Bm**        **G**        **F#**        **Bm**  
Well is it day, or has darkness come like am in my brothers fight  
**Bm**        **A**        **G**        **A**

**G**        **A**        **Bm**

**Bm**  
We hold up stock down in the cave  
**A**  
Two weeks gone by, when will be saved  
**F#**  
The rats go ahead and steal their share  
**G**  
For in the darkness we re unaware  
**Bm**  
Well, I try to keep the others strong  
**A**  
We won t last down here very long  
**F#**  
How many lives have our boys gave  
**G**  
And have we built our shallow grave and i

**Bm**        **A**        **G**        **A**

**Bm**  
Skin and bones we waste away  
**A**  
Two months gone by no light of day

**F#**  
Children rocking back and forth  
**G**  
They don t play much anymore  
**Bm**  
The smell of death is in the air

**A**  
Our chances are much less than fare  
**F#**  
To leave may be our certain doom

**G**  
To stay shelter becomes a tomb and i

**Bm**            **A**            **G**            **A**
