

A **G** **A**
 Where steel and water did collide
Em **D** **A** **G**
 In a place called Boulder on the wild Colorado
Em **D** **A** **G**
 I slipped and fell into the wet concrete below
Bm **A** **G** **A**
 Then they buried me in that great tomb that knows no sound
D **A**
 But I am still around
 Bm **A** **G** **A**
 I ll always be around, and around, and around, and around

[Verse 4]

Bm **A**
 I fly a star ship
G **A** **Bm**
 Across the universe divide
A **G** **A**
 And when I reach the other side
Em **D** **A** **G**
 I ll find a place to rest my spirit if I can
Em **D** **A** **G**
 Perhaps I may become a highwayman again
Bm **A** **G** **A**
 Or I may simply be a single drop of rain
D **A**
 But I will remain
 Bm **A** **G** **A**
 And I ll be back again, and again, and again, and again

[Outro]
