

I Am The Light
The White Buffalo

F

I m not like all the others

A

They re too polished for words

Bb

F

All plastic parts in search for perfect tense

F

Appearances deceive you

A

Don t chase those holograms

Bb

F

Well there s really no perfection in the end

F

There s pain there in your city lights

A

Bb

White lightning in your veins and the truth is that, the high just can t

F

sustain

F

There s a dream in side your nightmare

A

Open up and let it in

Bb

And it s cold, it is petrified

Bbm

F

Lose it now and it won t come again

A

Bb

F

A

Bb

F

A

Bb

F

I am the light, you are the night, you hold the stars.

A

Bb

I am where the darkness falls

Bb

Bbm

It surrounds us all it s a call to us

Bbm

F

You know that it won t come again

F

A dream is all I got now

A

It s tired and running thin

Bb

F

I ve long past the point of no return

F **A**
Not so sure if I belong here, am I even in the game
Bb
I m on the other side where the truth don t lie
Bbm **F**
where the time is now and it won t come again

A **Bb F** **A** **Bb F**
I am the light, no wrong no right
A **Bb F**
You sell the stars
A **Bb**
I am where the darkness falls, it surrounds us all
Bbm
It s a call to us
Bbm **C Bb F**
You know that it won t come again

F **C** **Bb** **F**
Wooooooooooooooooo
F **C** **Bb** **F**
Wooooooooooooooooo
F **C Bb F** **C**
You know that it won t come again

Bb **F** **C**
Before the dream throws away
Bb **F** **C**
Feels like the light is here to stay
Bb **F** **C**
Know the dream, it floats away
Bb **F** **C**
It feels like the light is here to stay
Bb **F** **C**
Lord before the dream throws away
Bb **F** **C Bb**
Lord the light is here to stay here to stay oh lord here to stay
F
Here it s here to stay
