

John Jameson
The White Buffalo

C **C**
Well, I m sloshed and seeing the stars, stumbling between bars,

C **C**
Curse you Jameson, you have destroyed me once again.

F **C**
But I need you, I need you now.

C **C**
I m Bruised and busted now, got to get to you somehow.

C **C**
Well, I can t stop before I start, to dry this drowning heart.

F **C**
Oh, I need you now, I need you now.

G **F** **C**
I think I drank more than my fill, and that explains the evil in my eye.

C **C**
I m lost in the middle of a drunk, I m not sinking, I have sunk,

C **C**
To the shadows at your back door, you scream you don t need me no more.

F **C**
Oh, I need you now, I need you now.

G **F** **C**
In this fog there s just John and me, help me find the remedy tonight.

G **F**
C
And when there s only wrong in me there s nothing that can lead me to the light.

Am **C**
Oh, I need you, like the flowers need the rain.

Am **C**
I don t need you, there s no flowers only pain.
