

Love Song 2

The White Buffalo

C **F** **C** **F**
nine hours away count the minutes pass the days

C **F** **G**
I m all wrapped up in an endless haze I m missing you

C **F**
wish you could poison me with your stare

C **F** **C** **F**
heart and soul beyond repair but you sit idley unaware

G
that i was missing you

C **F** **C F** **C**
oh my darlin will i see you again i d rather just pretend that you re

G **C** **F** **C F** **C**
around oh my darlin will i see you again i d rather just pretend that

G
you re around

C **F** **C** **F**
got drunk another fight it helps me sleep through the night

C **F** **G**
well i still stare at your picture every night well i was kissin you

C **F** **C** **F**
memories explode in thin air fireworks of times we shared

C **F** **G**
cause you sit idley unaware that i was missin you

C **F** **C F** **C**
oh my darlin will i see you again i d rather just pretend that you re

G **C** **F** **C F** **C**
around oh my darlin will i see you again i d rather just pretend that

G **F** **G** **C** **F**
you re around all the laws and the sun don t seem to play

C **G** **C**
spend my days and my nights alone

C **F** **C F** **C**
oh my darlin will i see you again i d rather just pretend that you re

G **C** **F** **C**
around it s alarming how my thoughts of you will send

F **C** **G**
me to a place i can pretend that you re around
