

Redemption #2
The White Buffalo

[Intro] **Am**

F

I killed many men with the greatest of ease

Am

Forgive me, forgive me, I m down on my knees

F

I don t believe that there s a Heaven to go

Am

But I must get this evil out of my bones and my soul

C

Wash the blood from my hands, but my mind can t get clean

E7

Am

I must flush away what I ve done, what I ve seen

F

Well I ll hide when I will, my lament it just grow

Am

My wife and my children, they don t have to know

F

The fire and the fever I forever fight

Am

I must resist to dance in the devil s delight

C

Now all I need is a damn way to cope

E7

Am

There s no soap, no hope, no antidote

C

G

Am

Let the truth wash over me

C

G

Am

There s only one way to be free

C

G

Am

F

All I really ever need
