

Sleepy Little Town
The White Buffalo

Standard tuning, capo 3

Intro: **C G C G C G D D Em Em**

C G D Em

Well its gold and green kerosene

C G D

Far beyond the glow of the city lights

C G D Em

You can feel it in the air you can catch it if you dare

C G D

And all you gotta do is wait around

D Em

For you and I in this sleepy little town

Intro

Slow like a dream lost in memories

Locomotion hauls to a grind

I get lost in the blue of a lazy afternoon

Bluer than my little boys eyes

For you and I in this sleepy little town

Intro

Sun keeps pouring in

With withered hands and leathered skin

Get up boy there s work to be done

(**Em** in break)

Untill the sun goes down on you and I

You and I in this sleepy little town

Em

Intro

Em

For you and I in this sleepy little town

End on G
