

Story

The White Buffalo

Story

The White Buffalo

Intro: Am E F C Am E F G

Chorus:

Am E F C  
I ll tell you a story  
Am E F G  
Of how the past it lies, it dies  
Am E F C  
All of your regrets and all of your glory  
Am E F G  
Oh, how the time it flies, flies

Verse:

C E Am G  
Bye she said, Well I leave at two  
C E Am G  
Memories of old fade with the new  
C E Am G  
Good times and bad we ve had a few  
C E Am G  
Help me to understand what can I do

Chorus:

Am E F C  
I ll tell you a story  
Am E F G  
Of how the past it lies, it dies  
Am E F C  
All of your regrets and all of your glory  
Am E F G  
Oh, how the time it flies, flies

Verse:

C E Am G  
Bye she said, Well I leave at two  
C E Am G  
we once stuck together but we lost the glue,  
C E Am G  
we became one but now add up to two

**C**                    **E**                    **Am**                    **G**  
it was just never up to me or to you

Bridge:

**C**                    **E**                    **Am**                    **Am**  
And she don t need me no more

**C**                    **E**                    **Am**                    **Am**  
Time will forget her I m sure

**F** **G** **E** **F** (2x)

**F**                    **G**                    **E**  
Oh, I ll shut it down There they go,

**F**  
thoughts of her fleeting.

**F**                    **G**                    **E**                    **F**  
I wish that I could keep them repeating

Chorus:

**Am** **E** **F**                    **C**  
I ll tell you a story

**Am**                    **E**                    **F**                    **G**  
Of how the past it lies, it dies

**Am**                    **E**                    **F**                    **C**  
All of your regrets and all of your glory

**Am**                    **E**                    **F**                    **G**  
Oh, how the time it flies, flies

Outro: **C** **E** **Am** **Am**
