A	3	3	5	3	3	3	
E	1	3				3	

C F G  
 Into my mind, into the deep  
 C F G  
 Taking me up to the observatory  
 C F G  
 See if the moon and the stars agree  
 C F G  
 To take me out

C F G  
 Where is the answer  
 C F G  
 Where you been hiding  
 C F G  
 What s you been running from  
 C F G  
 Two worlds colliding

Am  
 Everybody hides  
 F  
 Everybody bleeds  
 C  
 Everybody wants  
 G  
 Everybody needs  
 C F G

Love  
 C F G  
 but maybe i ain t the one  
 C F G  
 Maybe i ain t the one

( C F G )

C F G  
 The horizon calls from the east

C F G  
Oh the sky, it begs and pleads

C F G  
Get up boy off your knees

C F G  
Look around

Am  
Everybody hides

F  
Everybody bleeds

C  
Everybody hurts

G  
Everybody feels

Am  
Everybody cries

F  
Everybody dreams

C  
Everybody wants

G  
Everybody needs

C F G  
Love

C F G  
And i am one

C F G  
I am one

( C F G )

Am  
Everybody hides

F  
Everybody bleeds

C  
Everybody hurts

G  
Everybody feels

Am  
Everybody's right

F  
Everybody's wrong

C  
Everybody's old

G  
Everybody's young

Am  
Everybody's low

F  
Everybody's high

C

Everybody lives

G

Everybody dies

Am

Everybody cries

F

Everybody dreams

C

Everybody wants

G

Everybody needs

C F G

Love

C F G

And i am one

C F G

I am one

( C F G )
