

Where Dirt And Water Collide
The White Buffalo

[Intro] **C**

Summer wind is blowin in
Can I hide in your breeze awhile?
And I saw it rise, with you my friend
Til I reached the tide side
Where the dirt and water collide

The morning sun has just begun
Can I bathe in your heat and light?
It s washed in red, it must go down again
Not too soon can you arrive
Well, I ll wait for you through the night
