Sick The White Duck
Verse 1:
$f{Em}$ $f{D}$ $f{C}$ $f{G}$ in the middle of the night, i m standing at wall
Em D C G i still wonder way and were i shuld go
Em D C G ause i need you right now, and ineed you right here
EM D C G i m going right throw a nightmare that become alive
Chorus:
Em D what suold i do if i still love you
Am C and what can i say i becoming insane
Em D if you don t love me please just say
Am C don t make feel this pain
Em D what suold i do if i still love you
Am C and what can i say i becoming insane
Em D if you don t love me please just say
Am C don t make feel this pain
Verse 2:
Em D C G i were sitting crying why you left me why
Em D C G now at list i don t care, lock at me i swear

Chorus:

Em what suold i do if i still love you Αm and what can i say i becoming insane $\mathbf{E}\mathbf{m}$ i was on my knees for that girl Am now i don t wanna think about her Em what suold i do if i still love you Am and what can i say i becoming insane \mathbf{Em} i was on my knees for that girl C Am now i don t wanna think about her Verse 3: i not human anymore i don t give a fuck if you want you can go hey i loved you now i m so sorry about that girl so go don t wanna see you you can do what you want i don t need you Chorus: what suold i do if i still love you

and what can i say i becoming insane

Em D

now i hate you and i dont know why

Am C

i loved you, how stupid am i

Em D

what suold i do if i still love you

Am C

and what can i say i becoming insane

Em D

now i hate you and i dont know why

Am C

i loved you, how stupid am i
