

Apple Blossom Live Solo
The White Stripes

Tuning: Standard (low to high: EADGBE)

The rest of the song is the same as CD version but electric and with a different solo.

This is from Under Black Pool Lights DVD

Jack uses a whammy pedal to gain his unique sound for this solo, but if you don't have one, the best way to achieve this sound is to use the bridge pickup with tone knob turned all the way to zero.
