

Cold, Cold Night  
The White Stripes

[Intro] Dm F Gm A7

Dm F Gm A7  
I saw you standing in the corner  
Dm F Gm E7  
On the edge of a burning light  
Dm F Gm A7  
I saw you standing in the corner  
A7 Gm Dm F  
Come to me again in the cold, cold night  
Gm A7 Dm F G A7  
In the cold, cold night

Dm F Gm A7  
You make me feel a little older  
Dm F Gm E7  
Like a full grown woman might  
Dm F Gm A7  
But when you re gone I grow colder  
A7 Gm Dm F  
Come to me again in the cold, cold night  
Gm A7 Dm F G A7  
In the cold, cold night

Dm  
I hear you walking by my front door  
Dm  
I hear the creaking of the kitchen floor  
Gm  
I don t care what other people say  
Dm  
I m going to love you, anyway  
A7 Gm Dm F  
Come to me again in the cold, cold night  
Gm A7 Dm F G A7  
In the cold, cold night

Dm F Gm A7  
I can t stand it any longer  
Dm F Gm A7  
I need the fuel to make my fire burn bright  
Dm F Gm A7  
So don t fight it any longer  
A7 Gm Dm F Gm  
Come to me again in the cold, cold night  
Gm A7 Dm F Gm A7  
In the cold, cold night

**A**                    **Gm**                    **E7**  
And I know that you feel it too

**A**                    **Gm**                    **E7**  
When my skin turns into glue

**A**                                    **Gm**                    **E7**  
You will know that it s warm inside

**A7**                                    **E7**  
And you ll come run to me

**Dm**                    **F**                    **Gm**  
In the cold, cold night

**A7**                    **Dm**                    **F**                    **Gm**  
In the cold, cold night

**A7**                    **Dm**                    **F**                    **Gm**  
In the cold, cold night

**A7**                    **Dm**  
In the cold, cold night
