[VERSE 1]

**E Esus4 E Esus4**

Well, somebody walked up to me

**E/G E/F# E Esus4 E Esus4**

But I didn t know what to do

**E Esus4 E Esus4**

And then somebody said hello to me

**E/G E/F# E Esus4 E Esus4 E Esus4 E Esus4**

But I didn t know what to do

**B5**

Because I think that my words could get twisted

So I bend my back over, take a gulp, be funny

**E/G E/F# E Esus4 E Esus4 E Esus4 E Esus4 E**

Cause I know there s nothing I can do

**G5 / B5 / E Esus4 E Esus4 E Esus4**

[RIFF]

[VERSE 2]

Then my mother tried to pick me up

Cause I was sittin down on the ground

Something forced my baby eyes come open

But I couldn't make out the sound  
It doesn't matter cause my eyes are lying  
And they don't have emotion, don't wanna be social  
Can't take it when they hate me  
But I know there's nothing I can do

[BRIDGE]

**E G5 A5**

When my thoughts start to feel like mine  
**A5** **E Esus4 E Esus4 E Esus4 E G5 A5**  
But Take it from me it seems to happen every time

And the feelings that are fine for you  
**A5** **E Esus4 E**

There's somebody there who doesn't think they are true  
**Esus4 B5**

So think of something new  
**E Esus4 E Esus4 E Esus4**

There's nothing left to do

[RIFF]

[VERSE 3]

And then my idols walk next to me  
I look up at them, they fade away  
It's a destruction of a mystery  
The more I listen to what they say  
So does that mean that there's no more doin'  
And there's no more thinkin', and there's no more feeling  
Cause there's no right opinion  
Can you tell me what I'm supposed to do?
