

Im Slowly Turning Into You
The White Stripes

G **F**
I m slowly turning into you
G
But you don t know this
F
Tell the truth
G **F** **G**
You say I m lying and I never really tell you the truth
F **G**
But your face is getting older
F **G F G**
So put your head on my shoulder
F **G F G**
Yeah, put your head on my shoulder
F **G**
Yesterday it hit me that I do all the little things
F **G**
That you do. Except the same little things that you
F **G** **F** **G**
do are annoying. They re annoying as hell in fact
F **G**
It kinda struck a little bell in fact
F
I like to keep my little shell intact

[Solo] **G D C Bb A G**

D C Bb G
And I m slowly turning into you
D C Bb G F G F
And I m slowly turning into you

G F
Then something else came to mind
G
That was the mirror
F G
It made everything clearer
F G
That you re more beautiful compelling and stronger
F G
It didn t take much longer
F G
Just for me to realize I love all the little things
F G
And the beauty that they re gonna bring
F G

I dig your little laugh and I m lovin your quick wit

F

G

I even love it when you re faking it

F

G

And it might sound a little strange for me to say to you

F

But I m proud to be you

[Solo] **G F**
