Verse 1

[G#]
Well Iâ€™m finding it harder
[B] [F#] [G#] [F#][G#]
to be a gentleman every day
[B] [F#]
All the manners that Iâ€™ve been taught
[G#] [F#][G#]
have slowly died away
[F#]
But if I held the door open for you
[G#]
it would make your day

Chorus

[G#] [B] [F#] [B] [Bb] [G#]
[G#] [B] [F#] [B] [Bb] [G#]

Verse 2

[G#][F#][G#]
[G#]
You think that I care
[B] [F#] [G#] [F#][G#]
about me and only me
[B] [F#]
When every single girl needs help
[G#] [F#][G#]
climbing up a tree
[F#]
Well I know I donâ€™t take much

[G#]

to satisfy me

Chorus

Verse 3

[C#]

[B]

Maybe it's whatever's in my hand

[G#]

that's distracting me

[B]

But if I could find emotion

[C#]

to stimulate devotion

[Eb]

well then you'd see

Chorus

Verse 4

Well I'm finding it hard to say
that I need you twenty times a day
I feel comfortable so baby why
don't you feel the same?
Have a doctor come visit us
and tell us which one is sane

Verse 5

Well I never said I wouldn't
throw my jacket in the mud for you
but my father gave it to me so
maybe I should carry you
then you said
"you almost dropped me"
so then I did
and I got mud on my shoes
