Ebm
I m Walkin
C#   **Ebm**
Through streets that are dead.

Walkin ,
C#   **Ebm**
Walkin with you in my head.
                    C#   **Bb**   **G#**
My feet are so tired, my brain is so wired,
                              Ebm
And the clouds are weepin .

(Guitar kicks in here)

Ebm
Did I
C#   **Ebm**
Hear someone tell a lie.

Did I
C#   **Ebm**
Hear someone s distant cry.

C#   **Bb**   **G#**
I spoke like a child, you just struck me with a smile,
              Ebm   **F#** **G#**
While I was sleepin .
                          F# **G#**
I m sick of love,
                        Ebm   **F#** **G#**
And I m in the thick of it.
                          F# **G#**
This kind of love,
                  Ebm
I m so sick of it.

(solo) then back to organ

I see

```
I see lovers in the meadow.
I see
I see sillouettes in the window.
I watched them  till they re gone, and they leave me hangin  on,
To a shadow.

F#  G#                                F#   G#
      I m sick of love,
                               Ebm           F#   G#
I wish I never met you.
                             F#   G#
I m sick of love,
                           Ebm
I m tryin  to forget you.
Ebm                      C#                      B
Just don t know what to do, I d give anything to
Bb          Ebm
