Intro: G#m F# E Eb

G#m
Your breath is sweet
F#
Your eyes are like two jewels in the sky.
E
Your back is straight, your hair is smooth
Eb
On the pillow where you lie.
G#m
But I don t sense affection
F#
No gratitude or love
E
Your loyalty is not to me
Eb
But to the stars above.

E Eb
One more cup of coffee for the road
E Eb
One more cup of coffee fore I go
G#m
To the valley below.

Your daddy he s an outlaw
And a wanderer by trade
He ll teach you how to pick and choose
And how to throw the blade
He oversees his kingdom
So no stranger does intrude
His voice it trembles as he calls out
For another plate of food

One more cup of coffee for the road,
One more cup of coffee fore I go
To the valley below

Your sister sees the future

Like your mama and yourself
You don't know how to read or write
There's no books upon your shelf.
But your pleasure knows no limits
Your voice is like a meadowlark
But your heart is like the ocean
Mysterious and dark

One more cup of coffee for the road,
One more cup of coffee fore I go
To the valley below
