You'll have to give the song a listen to get the rhythm, but it's all here:

Intro: **E, G, A**  
P.P.P Pain give me  
**E, G, A, G**

Verse:

**E**                    **G**  
Pain            gimme sympathy  
**A**                    **G**  
Oh pain gimme  
**E**                    **G**  
Pain            gimme sympathy  
**A**                    **A**    **A/G**  
Oh pain gimme

Chorus:

**E**                                    **G**  
Ohhhhhh deep down in my heart  
                                 **A**                    **A/G**  
There's a feeling  
                                                 **E**  
Like a burning explosion  
                                 **G**                    **A**    **A/G**  
And a hundred emotions  
**E**                                    **G**                    **A**  
Over you                    over you

Repeat all including intro.

End on F
