

**The Same Boy You've Always Known**  
**The White Stripes**

Verse 1:

**A**  
You fell down of course  
**D**  
got up of course  
**A** **D**  
and start it over  
**A**  
forgot my name of course  
**D** **A** **D**  
then you started to remember  
**C**  
pretty tough to think about  
**G** **A** **G A**  
the beginning of december  
**C**  
pretty tough to think about  
**G** **A** **D**  
pretty tough to think about yeah yeah yeah  
**A** **D**  
pretty tough to think about

Verse 2: Chords are the same like verse 1

you re looking down again  
then you look me over  
we re laying down again  
on a blanket in the clover  
The same boy you ve always known  
well i guess i havn t grown  
The same boy you ve always known

kind of a bridge :

**G**  
think of what the past did it could ve lasted  
**A** **G A**  
so put it in your basket  
**G**  
hope you know a strong man who can lend you a hand  
**E**  
lowering my casket

(Riff **E7**)

Verse 3:same as verse 1

I thought this is just a day

and soon you'd be returning  
the coldest blue ocean water  
cannot stop my heart and mind  
from burning

**C**

everyone who's in the know says

**G**

**A**

that's exactly how it goes

**C**

and if there's anything good about me

**G (2x)**

**A**

i'm the only one who knows
