Great and simple song by this excellent duo. This is how I play it.

I m not sure about the tuning here.

Chords:

- Bm** 577555
- A** 355433
- D** x3555x
- E** x5777x
- F#** x7999x

Intro:

Acoustic Guitar

Am (and then alternate to G - listen to the song)

Guitar

e	-----	-----	
B	-----	-----	
G	-----	-----	
D	-----0-----	-----0-----	=20
A	(0)-2h3---3-2-0---	-0-2h3---3-2-0-0L-	=20
E	-----3L	-----	

Play this  
8x

L = let ring

(x)  
only play this            (through the song add  
2nd time                    some muted notes in this)

**Bm**  
My **C#**...  
G                            C and slide to D (5th fret)  
Can t you people just leave her alone? =20

G                            C and slide to D (5th fret)                    Am  
So just leave her alone...

\* Goes like this and then changes to \*

**D**

...everything you need to know

I can t...

**E**

I feel ...

**Bm**

Every time I see her face

(little piano solo)

**D**

But ..

**E**

It fills ...

**F#**

And I wanna tear apart the place

\* break and returns to Intro \*

\* ends in Am \*

The rest of the song is pretty much the same (except there are some =  
breaks, but you ll figure it out).
