

C **G** **Am**
And I wish, I wish I knew the right words
C **G** **Am** **F**
To blow up the pokies and drag them away
C **G** **Am** **F**
Cause they re taking the food off your table
G **Am** **Em** **F**
So they can say that the trains run on time

Fmaj7 **Em**
Flashing lights, it s a real show
Fmaj7 **Em**
And your wife, I wouldnt go home
Dm **Em7**
The little bundles need care
Dm **G** **Am** **G** **F**
And you cant be a father there, father there

C **G** **Am**
And I wish, I wish I knew the right words
C **G** **Am** **F**
To make you feel better, walk out of this place
C **G** **Am** **F**
And defeat them in your secret battle
G **Am** **Em** **F**
Show them you can be your own man again
G **Am** **Em** **F**
Show them you can be your own man again

C **G** **Am** **F**
And I wish, I wish I knew the right words
C **G** **Am** **F**
To blow up the pokies and drag them away
C **G** **Am** **F**
Cause they re taking the food off your table
G **Am** **Em** **F**
So they can say that the trains run on time
G **Am** **Em** **Fmaj7**
Another man there was made the trains run on time
